SUBJECT: PERFORMANCE OF EXPERT PROFESSIONAL TRAFFIC DESIGN SERVICES AS REQUESTED ON A "TASK ORDER BASIS" FOR A FOUR-YEAR TERM (RFP# 6000001923) – ADDENDUM #2

Dear Sir or Madam:

The Port Authority of New York and New Jersey (the "Port Authority" or "Authority") hereby amends the subject Request for Proposals (RFP) as follows:

- In the RFP Documents, under IV. Proposer Requirements, Letter B. Planning and Design, B.1., after the first paragraph ending with "Port Authority District," skip a line and add the following:

  Note: The above requirement can be separated such that the firm must have a minimum of two (2) individuals with the required professional engineer licenses in the State of New York or New Jersey, and two (2) individuals with Port Authority District experience. Those may overlap or may be satisfied by four (4) individuals.

The following is a question from RFP recipients. The question and the corresponding Authority answer is provided for your information and use, as appropriate.

Question #1: In the case where the traffic engineers hold professional engineer licenses outside of the State of New York or New Jersey, may we proceed with proposal submission if their applications for New York or New Jersey professional engineer licenses are currently under review?

Answer #1: *No. A minimum of two (2) traffic engineers must be licensed in the State of New York or New Jersey at the time of proposal submission.*

The date for receipt of proposals for the subject RFP remains 2:00 P.M. on January 24, 2024.
