SUBJECT: REQUEST FOR PROPOSALS FOR PERFORMANCE OF EXPERT PROFESSIONAL CONSTRUCTION MANAGEMENT AND INSPECTION SERVICES AS REQUESTED ON A "TASK ORDER" BASIS FOR A FOUR-YEAR TERM - RFP# 6000002438 – ADDENDUM #5

Dear Sir or Madam:

The Port Authority of New York and New Jersey (the "Port Authority" or "Authority") hereby amends the subject Request for Proposals (RFP) as follows:

1. Under the section titled "Proposer Requirements" item A, sub item 1. after "through closeout" skip a line and insert the following:

   "The Proposer may also fulfill Proposer Requirement A1 if it can demonstrate that the persons or entities owning and controlling the Proposer have had a cumulative total of at least the same number of years and type of direct continuous experience immediately prior to the submission of this proposal as is required of the Proposer or has owned and controlled other entities which meet the requirement(s)."

The following are questions from Request for Proposals (RFP) recipients. The questions and the corresponding Port Authority of New York and New Jersey (the Authority) answers are provided for your information and use, as appropriate.

Question #1: Do the subs also have to have a COA (NY/NJ) on the team? We have a Testing Firm as a potential sub but they don't have a COA as they are not an engineering firm.

Response #1: No.

Question #2: Can CWI certification sub for the ICC certifications for the Steel inspectors' requirements?

Response #2: No, however if they have this certification in addition to the Steel and Bolting ICC that's acceptable.

Question #3: We would like to know if an AWS certified welding inspector is an acceptable substitute for the ICC certified structural steel and bolting inspector?

Response #3: No, please see above.

The due date for this RFP remains 2:00 P.M. on November 13, 2024

If you have any questions, please contact Ms. Jessica Smith at JLSmith@panynj.gov.
